JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

information from the mayor, health officer, or other person acting under their authority relative to the sanitary management or arrangement of such laundry.

SEC. 14. Any license granted hereunder may be transferred from one location to another upon written application made therefor to the mayor in writing and upon the approval of said transfer by the health officer of said city.

SEC. 15. Any person, firm, or corporation violating any of the provisions of this ordinance shall upon conviction thereof be fined not to exceed \$100 and costs of prosecution, or by imprisonment in the city or county jail for a period of not exceeding 30 days, or by both such fine and imprisonment in the discretion of the court.

SEC. 16. This ordinance shall take effect on and after the 1st day of May, 1912.

#### **Buildings—Sewer Connections. (Ord. 226, May 20, 1912.)**

SECTION 1. It shall be unlawful for the owner or owners of any dwelling house, store, living apartments, or other building occupied by a person or persons, to neglect or refuse to connect said described building or buildings with the public sewer under the conditions and after notice as prescribed in this ordinance.

SEC. 2. All dwelling houses, stores, living apartments, or other building or buildings occupied or used by any person or persons, and situate on or adjacent to any of the streets or alleys within which a public sewer is laid, shall be connected by a private sewer with such public sewer.

SEC. 3. Whenever any building herein described is deemed insanitary by the city health officer, or board of health, said health officer shall give the owner, owners, or his or their authorized agent, a notice thereof in writing, requiring said owner or owners to connect said building or buildings by a proper private sewage system with the public sewer within 30 days from date of said notice. Said notice may be served by mail or by personal service.

SEC. 4. If after the expiration of 30 days from the serving of such notice as provided in section 3 of this ordinance such owner or owners or authorized agent shall refuse or neglect to make the required connections with the public sewer, the board of health of said city may authorize any competent plumber to make such connections, and upon the completion thereof such plumber so authorized shall certify upon oath to said board of health that said connections have been made and the cost and expense thereof. Said board of health shall immediately file the same with the city recorder, together with certified copy of the notice served upon the owner or owners of such premises, and at the same time said board shall also file with the city recorder a statement in writing signed by said board showing the title description of said premises and the insanitary conditions which required said connections to be made. All such papers so filed with the recorder shall be presented to the council at the next regular meeting thereof, and the council shall thereupon levy against said premises a special assessment to defray the cost and expense to said city of making said connections, which said assessment shall stand as a charge against the property so assessed and benefited as taxes, and the same shall be collected and payment enforced in the same way as other city taxes. And any owner or owners of any building or buildings so connected with the public sewer who shall fail, neglect, or refuse thereafter to properly equip said building or buildings with the necessary drain pipes, sinks, or closets to properly carry all sewage from said premises into the public sewer, or who shall neglect and refuse to use said sewer for such purposes, shall be deemed guilty of a misdemeanor, and shall be punished as hereinafter provided.

SEC. 5. All connections from any building with the public sewer through which grease water is discharged must be provided with proper grease trap, approved by the board of health.

SEC. 6. Every plumber authorized by the board of health or otherwise to make any connections with any public sewer shall, before entering upon such work, file with the city recorder a bond in the penal sum of \$1,000, with one or more sufficient sureties,

and approved by the city attorney, conditioned to indemnify said city from any and all damage resulting from such work. Such plumber shall be subject to the directions and supervision of the city engineer in the performance of such work. He shall also restore any street, sidewalk, gutter, or pavement disturbed by him in the performance of such work to the satisfaction of the superintendent of public works.

SEC. 7. No person shall erect a privy or privy vault on any property adjoining any street or alley within which a public sewer is laid.

SEC. 8. No person shall make any connection with or opening into any public or private sewer without permission of the city engineer.

SEC. 9. No person shall break, remove, or injure any portion of any manhole, flush tank, catch basin, or any part of any public or private sewer except authorized officers or agents of the city acting in the performance of their respective duties.

SEC. 10. All connections made with the public sewers shall conform to the grades established by the city engineer.

SEC. 11. No person shall connect any open gutter, cesspool, privy vault, or cistern with any public sewer or with any private sewer connected with the public sewer.

SEC. 12. No person shall deposit any garbage, offal, animal matter, filth, or any substance that would tend to obstruct the flow of sewage in any drain or other opening in the public or private sewer connected with the public sewers.

SEC. 13. It shall be the duty of the board of health to cause to be made all complaints for the prosecution of any person or persons found violating sections 1, 2, 4, 5, and 7 of this ordinance.

SEC. 14. Any person or persons who shall violate any of the provisions of this ordinance, or who shall aid or abet in the violation of the same, shall, upon conviction thereof, be punished by a fine not exceeding \$100, or by imprisonment in the county or city jail for a period of 30 days, or by both such fine and imprisonment, in the discretion of the court.

SEC. 15. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SEC. 16. This ordinance shall take effect from and after the expiration of 20 days from its approval by the mayor.

## SEATTLE, WASH.

### Foodstuffs—Protection of. (Ord. 29778, July 30, 1912.)

SECTION 1. That section 1 of ordinance No. 24027, entitled "An ordinance relating to and providing for the protection of food and food products from pollution and contamination by dust, flies, and other insects, or other sources, and providing penalties for the violation thereof," approved May 9, 1910, be and the same is hereby amended to read as follows:

"SECTION 1. It shall be unlawful to keep, offer for sale, or expose for sale any meat, game, fish, fowl, vegetable, fruit, or prepared food in open receptacles or broken packages less than 2 feet above the floor of any building, store, room, or place in which the same may be sold or offered for sale. It shall also be unlawful to keep fish, meat, poultry, game, cheese, figs, dates, dried fruits, olives, sauerkraut, mincemeat, lard, butter, butterine, candy, crackers, cakes, bread, or any prepared food for sale, or exposed for sale, unless the same is protected in such manner as to exclude, so far as practicable, dust, flies, or other insects from coming in contact therewith. Fruits which are generally or frequently eaten in the raw condition when offered for sale in broken packages shall at all times be so protected by screens or netting, or otherwise, as to exclude dust, flies, or other insects. When fruits, vegetables, meats, and other foods are kept, sold, or offered for sale in receptacles, such receptacles shall be at all times free from decayed matter of every kind. Raw or uncooked meat, drawn poultry, game, fish, or other sea food shall not be kept or offered for sale unless suit-
